P R E V I O U S E X P E R I E N C E

I come from the administration's world, at the past I founded my own company, as entrepreneur, I was in charge since talking to supplier, to the accountable part and giving at first hand my product to the client.

Later on, I worked on a restaurant having at charge 6 ppl, for the administration and in charge of facing clients and accounts.

S O M E T H I N G S I ' V E B U I L T

AROUND SPAIN
